

# IT'S A HACK DAY!

by Maine Hacker Club

## Come Build Stuff With Us

The Maine Hacker Club is hosting a day of hacking. It's an all day workshop on building technology systems, from hardware to software, web applications to robots.

Have a few burning technical questions? Maybe you have a task in mind but don't know where to start. Come join our supportive community of nerds.

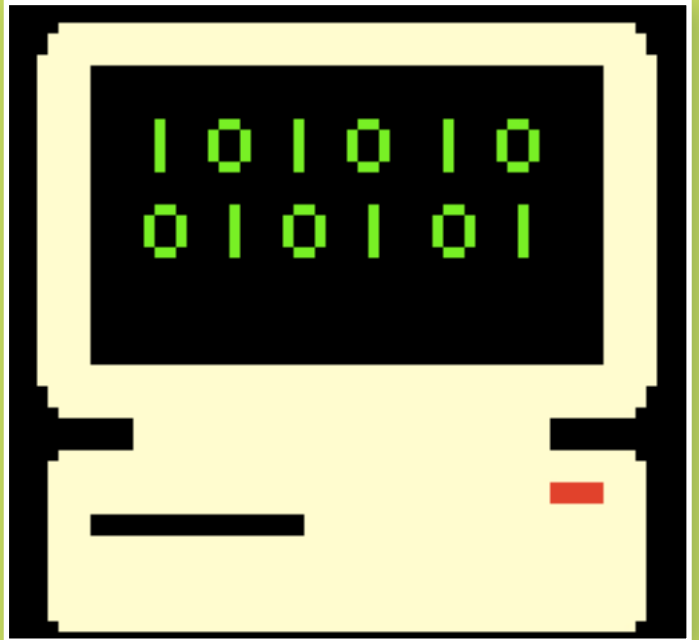

- **Novices & Experts are welcome**
- **Bring your questions & skills to share**
- **Free of charge!**

**When:** Saturday, March 9, 2013

**Where:** United Way  
24 Springer Drive, Suite 201  
Bangor, ME 04401

**Time:** 9:30 am to 4 pm

**Info:** [www.hackmaine.org](http://www.hackmaine.org)
